Catering FAQs

Does one of my two main course choices need to be vegetarian?

No. Our kitchen team will ensure there are vegetarian/ vegan main options. Options must be pre communicated with our wedding team, along with any dietary requirements a minimum of 14 days before the day.

Will I need to have a seating plan?

A seating plan is essential as it ensures a smooth running service and less worry on the day. Our team will enquire table by table on the day to identify any vegetarian/vegan guests and/or dietary requirements.

Is there a children's menu?

No. We are confident children will enjoy the same food served to adult guests.

Securing your booking

We will provisionally hold your booking for 14 days after the initial confirmation. To secure your booking, we will require an agreed deposit payment. The hire cost is to be paid in full 14 days before your chosen wedding date.

Cancellation policy

If you would like to cancel your booking up until three months before the event there will be a 50% deposit charge. Please take into account that cancellations less than 3 months in advance mean the deposit is nonrefundable. If you cancel your booking after the final payment has been made then we will refund 50% of the cost.

Weather cancellation

Given the venue is exposed to our unpredictable British weather conditions, in the unlikely event of a cancellation due to adverse weather conditions you receive an 80% refund. Our tent is built to withstand some wind and rain, and can accommodate a completely inside event, however cancellation due to severe weather is a risk that both we as the venue and you as the client will have to take.

Service charge

A 10% service charge added to your final bill.

Our wedding venue can accommodate guest numbers of between 30-50 people during the day, and an additional 20-30 people during the evening. We ask you to confirm your final guest numbers, along with any dietary requirements your guests may have, at least 14 days before the date.
